**Reports Not the Official Record.** Reports, other than the Parcel Register, obtained through Geowarehouse are not the official government record and will not necessarily reflect the current status of interests in land.

**Currency of Information.** Data contained in the Geowarehouse reports are not maintained real-time. Data contained in reports, other than the Parcel Register, may be out of date ten business days or more from data contained in POLARIS.

**Coverage.** Data, information and other products and services accessed through the Land Registry Information Services are limited to land registry offices in the areas identified on the [coverage map](#).

**Completeness of the Sales History Report.** Some Sales History Reports may be incomplete due to the amount of data collected during POLARIS title automation. Subject properties may also show nominal consideration or sales price (e.g. \$2) in cases such as transfers between spouses or in tax exempt transfers.
